

VANGUARD
MANAGEMENT SOLUTIONS

CAPABILITY STATEMENT

AI-Powered Security. Human-Led Expertise.

WHO WE ARE

Vanguard Management Solutions (VMGTS) is a minority-owned small business delivering cybersecurity, AI-driven solutions, and IT modernization to government and commercial organizations. Founded in 2016 and based in Fairfax, Virginia, we pair practical engineering with clear, mission-focused guidance that helps clients reduce risk, strengthen resilience, and modernize with confidence. We work alongside our clients, not simply for them, and we explain the work in plain language so you always know where you stand.

CORE COMPETENCIES

- **Cybersecurity:** risk and vulnerability assessments, zero trust strategy, security operations, and continuous monitoring.
- **AI-Driven Solutions:** practical, secure AI adoption for faster threat detection, automation, and responsible governance.
- **Cloud & Enterprise Infrastructure:** secure-by-design cloud migration, modernization, and resilient hybrid infrastructure.
- **Agile Software Development:** iterative delivery, DevSecOps, and automated testing for reliable, maintainable software.
- **IT Service Management:** ITIL-aligned service delivery that keeps critical systems available and well supported.
- **CMMC Compliance Support:** gap assessments, SSP and POA&M development, remediation, and pre-assessment support.

DIFFERENTIATORS

- Minority-owned small business with proven federal and commercial experience.
- GSA Multiple Award Schedule (MAS) contract holder (#47QTCA23D0097).
- ISO 9001:2015 quality practices with SOC 2-aligned operations.
- CMMC expertise and a FedRAMP-ready approach.
- Cleared professionals trusted to support sensitive programs.
- AI capability paired with human judgment, not hype.

PAST PERFORMANCE
